A sale in Payson announced ahead as the biggest sale of the year, with the poster saying they always save the best for last. The post says: 'We are literally going to have everything at this sale.' No items are named yet. The poster says they will be taking photographs and posting the ad this coming week, and tells shoppers to mark their calendars and watch for the ad. The post closes by thanking Payson, saying 2026 has been a great year and looking forward to 2027 being even better. One comment on the post asks whether there is a sectional couch; no answer with an address or hours stands in the post or its comments as read Nov 9, 2026.

Organizer: Paul Walter. Contact note from the post: 'If you have any questions, please message me unless you know my phone number!' Date note: the post gives the days as Friday/Saturday 11/13–11/14, and November 13, 2026 is a Friday and November 14, 2026 is a Saturday, so the days and dates match. The post does not name a sale kind (yard, garage, estate, or moving), does not give a street address, and does not give hours — it is carried as a yard sale because it was posted as a sale announcement in the Payson, AZ Online yardsale group, with the no-address mark, and the missing facts are named here rather than filled in. Source: Facebook group 'Payson, AZ Online yardsale' post, posted Nov 7, 2026, read Nov 9, 2026. Re-checked Nov 9, 2026: the post still stands in the group with the same text, and its comments still give no address or hours.
