Thunder on the Rim: The Big Show Rolls Into Green Valley Park

Payson, Ariz.

Hail, traveler, and lend the morning sky your ear — the Rim wakes with thunder in its throat and a grand day in its parks. PAYSON — the thirty-third Beeline Cruise-In Classic Car Show rolls into

*The thirty-third Beeline Cruise-In turns Green
Valley Park into a fair of gleaming horse-
drawn caravans — storm clouds be damned.*

Green Valley Park this morning, classics and rat rods on the grass from 8 AM to 3 PM, with the town's own Payson Days celebration — live music, vendors, and fireworks — to close the night, storms permitting. Camp Verde answers with drum and cannon for the seventieth Fort Verde Days, Sedona crams an arts festival, a blues festival, and warbirds into a single Saturday, and the school mountain-bike championships race the rain. Read on — and mind the flood watch: it runs from 11 AM through Monday morning.

HAPPENING IN THE HOLDS TODAY

Payson

— 33rd Annual Beeline Cruise-In Classic Car Show

— 8 AM–3 PM, Green Valley Park, 600 S Green Valley Pkwy. The Beeline Cruisers Motor Club's thirty-third annual show: classic cars, trucks, lowriders, and rat rods — every one 25 years or older — lined up on the park grass for Best of Show and a wagon-load of category awards. Food vendors, entertainment, and raffles raising money for local charities, all free to the public. (The Friday pre-show cruise through central Payson already rolled yesterday afternoon.)

— Payson Days Celebration — follows the car show at Green Valley Park. The town's own annual celebration keeps the fair going with live performances, a variety of food and vendor booths, and a fireworks display to close the night — storms permitting. Free admission, and the whole Hold comes out for it.

— **ACA Race #3 — Ubuntu Trail** — Payson Event Center. The Arizona Cycling Association's interscholastic mountain-bike series hits the purpose-built singletrack: middle and high school riders from across the state, all in one stormy day. The organizer moved *both* conferences' racing to Saturday in short-track format (roughly 8 AM–3 PM, awards at 3) — Sunday racing is off.

Camp Verde

— **70th Annual Fort Verde Days** — Parade steps off at 10 AM down Main Street (finishing at the General Crook turnoff), this year's theme “America 250” with Grand Marshal Bob Weir. The festival on the town grounds at Main & Hollamon runs 11 AM–7 PM: food and craft vendors, live music, and contests. At Fort Verde State Historic Park: flag-raising and -lowering ceremonies, artillery demonstrations, living-history reenactors, Dutch-oven cooking, and military drills — free park admission all weekend.

— **Verde Valley Archaeology Center Indigenous Peoples Day Celebration** — 10 AM–4 PM, 460 W. Finnie Flat Road. A free-admission day honoring Native American heritage: a Native American Artist Market with 30+ artists (fine art, weaving, pottery, jewelry, katsinas, silversmith work, apparel, crafts), homemade fry bread for purchase, and a noon talk by master Zuni carver Clive J. Hustito on Zuni fetishes — their symbolism and meaning — with a complimentary reception after. Note: the parade briefly closes part of Finnie Flat Road; the museum stays reachable through the Bashas' plaza entrance.

Sedona

— **35th Annual Sedona Arts Festival** — 9 AM–5 PM, Sedona Red Rock High School, 995 Upper Red Rock Loop Rd. Sedona's oldest and largest fine-arts event: 100+ juried artists from across the country showing glass, painting, metal, woodworking, photography, and ceramics, plus live music, food trucks, a beer & wine garden, and a Gourmet Row of locally made kitchen and home goods. A \$15 pass covers both days; children 12 and under free with a paying adult.

— **Sedona Airport Wings & Wheels 2026** — 9 AM–4 PM at the Sedona Airport (up Airport Road to Tabletop Mesa). Classic cars meet classic aircraft: T-34s, T-28s, F-35 formation flybys after lunchtime, a simulated fire water drop, and the centerpiece Consolidated PB4Y-2 “Privateer” — the world's only airworthy one. Admission is a \$2 donation or a nonperishable food item, every bit of it going to the Sedona Community Food Bank.

— **6th Annual Sedona Red Rockin' Blues Festival** — gates 11:30 AM, show noon–5 PM, Posse Grounds Pavilion, 525 Posse Ground Rd. The Northern Arizona Blues Alliance serves up local and regional Arizona blues talent — nearly all Arizona Blues Hall of Fame inductees — on the grass under the red rocks. \$25 wristbands at the gate (cash only) cover the whole day of come-and-go; bring folding chairs, coolers (no alcohol), and sunblock; leashed dogs welcome.

Prescott

— **Prescott Antique Show & Vintage Market** — 8 AM–3 PM, Prescott Rodeo Grounds, 840 Rodeo Dr. 50+ antique dealers from Arizona and the surrounding states: Western collectibles, Victorian antiques, mid-century furniture, vintage toys, and Native American jewelry. \$10 general admission; every cent of proceeds goes to historic preservation, restoration, and education. Presented by the Thumb Butte & Yavapai Questers.

— **R.O.C.K. in the USA — The Music of John Mellencamp** — 7:00–9:30 PM, Prescott Elks Theater, 117 E Gurley St. A high-energy tribute to Rock & Roll Hall of Famer John Mellencamp's five decades of heartland rock hits — the small-town anthems that practically wrote themselves for this Hold. Tickets run about \$41–53.

— **Music on the Green** — 4–7 PM, Prescott Valley. A free outdoor concert under the open sky with The Offbeats, a high-energy punk rock cover band tearing through Foo Fighters, Paramore, and Audioslave. Pack a blanket, grab the Valley Dwellers, and close out the afternoon loud.

QUESTS OF THE HEARTH

Quests awaiting:

- ☐ **Finish & install the torches** — Overdue since Saturday — paint them faux wrought iron, UV-seal, and get them glowing.
- ☐ **Print the torch sconces** — Overdue since Oct 3 — two torches plus the socket test piece, and test-fit before the finish coats.
- ☐ **Design & prep the torch sconces** — Overdue since Sept 26 — measure the flame bulbs and sockets, find or design the model.
- ☐ **Build the Mogollon's Hearth shield** — Due Oct 17 — finalize the size for the front-door placement before cutting.

Overdue and due today: the torches! Print them, paint them, hang them before the storm rolls in.

This week's work: torch sconces to print, paint, and hang — and a shield to raise by the front door.

TALES FROM THE TREELINE

THE STORM-WELCOME SERVICE

Jethro hands out pine-bough parasols while Earl keeps the banner aloft.

With thunderstorms rumbling off the Rim, Jethro (the Mogollon Monster) declared the Hold's guests deserved a proper stormy-day greeting. So he set up his welcome station on the Hearth's front deck with a bundle of pine-bough parasols he'd lashed together himself.

The idea was sound. The parasols — being pine boughs — were enormous, fragrant, and utterly at the mercy of the wind. Every gust snatched one clean out of Jethro's hands and sent it cartwheeling across the deck. Henny the chicken took cover under the eaves and clucked advice nobody asked for.

Earl the elk, ever dignified, volunteered to hold the welcome banner in his antlers so it wouldn't blow away. But every gust caught the banner's loose end and slapped it smartly across Earl's muzzle, and each time he bowed a little deeper — as though saying, "you're welcome."

Finally Mabel the wood elf herded the whole soaked crew inside for warm bread and cider, sighing like it was her job — which, in this forest, it is. "Best welcome ever," the dripping guests declared. Jethro beamed. "Same time next storm?"
